

May 24, 2022

**Congratulations.**

**Dear Carl Vincent,**

I invite you to embark on an educational journey of vital significance. As a member of the Class of 2026 at the Minerva University, you will be among the few students who have been given this extraordinary opportunity at the most selective undergraduate program in the United States.

With this distinction comes a responsibility. At Minerva, you and your classmates will share four years of intensely rigorous and deeply rewarding learning. Together, you will experience the world while you gain the critical skills needed to tackle the most complex challenges we face. Once you graduate, you will be expected to excel, to work toward improving our collective future — as a leader, an innovator, a thinker, and a doer.

On behalf of the faculty, staff, and greater Minerva community, I want to acknowledge your success in reaching this moment: being selected to join the group of exceptional students that will form the Minerva Class of 2026. If you are prepared to accept your position among them, I look forward to meeting you in San Francisco.

Sincerely,

**Teri Cannon**

President

Minerva University
